

Clarification of Transcript of Evidence

Economics & Industry Standing Committee
Inquiry into the management of Western Australia's freight rail network

Paul Larsen, CEO Brookfield Rail

Taken at Perth on Wednesday, 11 June 2014

Page 3	Transcript states the railway was privatised in 2001. Mr Larsen intended to say <i>December 2000</i> .
Page 3	Transcript states "a time line was placed for setting tier 3 lines into care and maintenance" Mr Larsen intended to say " a time line was <i>set for placing</i> the tier 3 lines into care and maintenance"
Page 3	Transcript states "We are moving grain at record tonnages – 10 million tonnes per annum." For clarification this is at <i>a rate of</i> 10 million tonnes per annum."
Page 3	Transcript states "we need to recognise it does represent around four per cent of those current total annual movements." For clarification this statistic is the total annual movement <i>for grain</i> .
Page 6	Transcript states "the government didn't get involved in tier 1 and tier 2." Mr Larsen intended to say "the government <i>did</i> get involved in tier 1 and tier 2"
