Dear Ms Parsons

TRANSCRIPT OF EVIDENCE – DEPARTMENT OF WATER

I wish to correct factual information provided to the Standing Committee on Estimates and Financial Operations on 6 June 2012 as part of the Department of Water's attendance at the 2012/13 Budget Estimates hearings.

On Page 13 I have identified that I inadvertently quoted incorrect figures with respect to current approved FTE levels at the Department of Water.

Firstly, two-thirds of the way down Page 13, I indicated that that the Department of Water "moved from an approved target of 580 to 581". In fact, this should be "580 to 501".

Secondly, at the foot of the same page, the transcript indicates that I said "we have got an approved level at the moment of 801". That figure should be 501.

If you require any further information please do not hesitate to contact me.

Yours sincerely

Maree De Lacey
