Dear Ms Jewell

Subject: Transcript of Evidence

Thank you for the opportunity to correct factual information in the Transcript.

On page 24, fourth paragraph from the top, I said:

“I am not sure whether the committee is aware that Tania is located at West Leederville, where we have our state emergency coordination centre”.

I would like this corrected to read:

“I am not sure whether the committee is aware that Tania is located at West Leederville, where we have our State Coordination Centre”.

The correction will assist to avoid confusion with similarly named Centres.

Yours sincerely

Peter Conran
DIRECTOR GENERAL
