**2014/15 ANNUAL REPORT HEARINGS
ANSWERS TO QUESTIONS PRIOR TO HEARING**

Healthway

Hon Sue Ellery MLC asked:

1) I refer to page 49 of the Healthway Annual Report for 2014/15 and ask:

a) Please provide the details of Grants and Sponsorships in 2014-15 in each of the following categories:

i) Health promotion and research grants;

Answer: \$6,031,553 [see tabled paper no].

ii) Arts Sponsorships;

Answer: \$2,588,200 [see tabled paper no].

iii) Sport Sponsorships;

Answer: Racing sponsorships are included within the Sport Sponsorship program. \$6,619,617 [see tabled paper no].

iv) Racing Sponsorships;

Answer: See above answer.

v) Community Events;

Answer: \$298,800 [see tabled paper no].

vi) Support Sponsorships.

Answer: \$1,438,323 [see tabled paper no].

Please note that Support Sponsorship represents a separate allocation made by Healthway to fund the promotion of health messages (for example Alcohol Think Again) and other strategies associated with each approved sponsorship. These funds are managed and expended almost entirely by Healthway itself.

b) Why has there been a \$2Million reduction of Grants and Sponsorships by Healthway between 2013-14 and 2014-15?

Answer: The full budget for grants and sponsorships of around \$18.8m was allocated in 2014/15. However, in accordance with the Accounting Standards, approved grants and sponsorships that do not meet the definition of payable at 30 June are recorded as a commitment and included in note 25 of the financial statements (page 54). This typically reflects those organisations that at 30 June had accepted an offer of funding but are still progressing towards a final contract being finalised.

The grant and sponsorship commitments at 30 June 2015 was \$1.829m and once added to the \$16.976m shown in the financial statements, (at note 10 on page 49) totals \$18.805m.
