MEDIA RELEASE

20 March 2014

Environment Committee to visit Broome as part of Fracking Inquiry

As part of its ongoing inquiry into the implications for WA of hydraulic fracturing for unconventional gas, the Standing Committee on Environment and Public Affairs will visit Broome on 24th and 25th March to meet with stakeholders and discuss how fracking will affect the Kimberley.

The Committee is scheduled to meet with Yawuru traditional owners, Environs Kimberley, the Shire of Broome and also with Buru Energy regarding its upcoming plans to frack its exploratory well sites in the region.

Media inquiries can be addressed to Hon Simon O'Brien MLC, Chairman on 0407 190 541. Other inquiries should be addressed to committee staff on 9222 7300.
