Dear Samantha

Inquiry into Rail Safety National Law (WA) Bill 2014

Thank you for your letter of 22 December 2014 and the opportunity to comment on the introduction of the Rail Safety National Law (WA) Bill 2014.

ARTC is the operator of the national interstate network including from Kalgoorlie to the South Australian border in Western Australia.

The introduction of the Rail Safety National Law (WA) Bill will see major benefits for interstate rail transport operators, bringing legislative consistency between the states and territories of Australia.

ARTC supports this Bill and welcomes its introduction into the Western Australian parliament.

We would be happy to provide further information if that was of assistance to you.

Yours sincerely

Tim Ryan
