RE- COCKBURN CEMENT

24-10-2010

Dear Ms O'Har

How does COCKBURN CEMENT affect our daily lives.

The dust ON OUR ROOFS WINDOWS OUR PLY SCREENS OUR SHUTTERS OUR PATIO OUR TABLE OUTSIDE OUR CAR, and as we have a pool we get it there also, we also get a black heavy dust ON THE PATIO SLABS, ITS REAL HEAVY WHEN WE BRUSH IT.

also the smell, some visitor have noticed it.

How it impacts ON OUR HEALTH, we dont really know, My wife has got nose bleeds since she moved here two years ago, which she didnt have before, all in all something needs to be done, the quicker they get those filters ON THE BETTER FOR ALL OF US. Thanking you
