Matthew Allen

Dear Committee

"Re alcohol and illicit

drug problem"

Growing up in the 1970's, all groups I associated with abused substances. Substance abuse will always exist. Minimising behaviour is key to answer. Drug Education in Schools from year one. Offering reward from abstaining. First in line for training, as Astronaut in Space program. Setting goals early in life of students. Education talks in Schools from Space agencies members. Alternatively tours of Mental Health institutions. Setting Students on a path on how they may conduct their lives.

Yours Sincerely

Matthew Allen
