

TO WHOM IT MAY CONCERN.

THIS LETTER IS IN SUPPORT OF THE COMPLAINTS THAT CONCERN COCKBURN CEMENT AND THE IMPACT IT IS HAVING ON US AND THE SURROUNDING COMMUNITIES. WE HAVE LIVED HERE FOUR 12 YEARS AND THE CONDITIONS FROM C.C. HAVE DETERIORATED SINCE 1ST MOVING INTO THIS AREA.

CONTINUAL WHITE DUST PARTICLES ARE ALL OVER OUR PROPERTIES AND CARS.

(PROOF IS THAT WE HAVE HAD COURTESY CLEANING OF OUR VEHICLES FROM C.C.)

ODOURS ARE OFFENSIVE.

IN BRIEF YOU CANT TELL ME THAT THE RESIDENTS FROM MUNSTER, SPEARWOOD, BEELIAR, YANGEBUP MEVE ETC ALL WAKE UP AND IMAGINE THE VERY SAME COMPLAINTS. WE CAN SEE WITH OUR NAKED EYES THE WHITE LIME DUST CAUSING HEALTH PROBLEMS IN THESE AREAS.

THANKING YOU.
