Dear Committee,

I am writing to note that I do not support any new levy on growers or an unnecessary compensation scheme.

I would also like to ensure that the Committee considers the following facts in their deliberations:

1. GM technology has been shown to be safe and effective
2. GM technology has been used globally in agriculture and a range of other fields for decades
3. Other countries have GM and non-GM growers, side by side, without the need for levy schemes or compensation

Kind regards,

Regards
