Subject: RE WA FRANCHISE INQUIRY--PERSONAL SUBMISSION

I have been involved in The Franchising Industry in Australia for 25years—Firstly Establishing over 90 FORTY WINKS Stores in every State & Territory in Australia as CEO for 21 Years & in The Last 3 years I have been consulting to a number of Franchise Systems
In WA Forty Winks under my leadership we established in WA 15 Stores—which have traded well!
Enough of my Credentials!

“ The ACCC has all the Powers Required to Administer The National Franchise Code and I am totally opposed to any State Based Legislation—which I understand is proposed in certain Quarters in WA”

“ I believe The WA proposed Legislation--- as with any other State Based Legislation---will do more harm than good & be very confusing for both Franchisors & Franchisees & will undermine confidence significantly in the Franchise Sector”

Please present my submission points to The WA Franchise Inquiry

Yours Sincerly
