To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia are opposed to the closure of the Red Cross Blood Services and Blood Donor Centre in GERALDTON and we request that the State Government provide Blood Collection Centres in ALL Regional Hospitals in Western Australia to better serve the people of the State.

Your petitioners therefore respectfully request the Legislative Council to recommend to the State Government that it should provide Blood Collection Centres in ALL Regional Hospitals in Western Australia to better serve the people of the State.

And your petitioners as in duty bound, will ever pray.
