PETITION IN RELATION TO LACK OF ULTRASOUND FACILITIES IN THE PILBARA

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia are in support of increased access to ultrasound facilities in the Pilbara Region.

Your petitioners therefore respectfully request the Legislative Council support the allocation of more ultrasound radiology services in the Pilbara by the State Government. This request includes the extension of the current one day per week operation of ultrasound facilities in Tom Price and Newman.

And your petitioners as in duty bound, will ever pray.
