PETITION IN RELATION TO PRESERVATION OF GOLDEN BAY DUNES

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned are opposed to the extensive destruction of natural open spaces in Perth, particularly the uniquely high, parabolic dunes at Lot 3 Warnbro Sound Avenue, Golden Bay. Here the resulting loss of biodiversity, habitats for Southern Brown Bandicoots and feeding grounds for Carnaby's Black Cockatoos, the creation of hot urban microclimates and the lack of natural open space for people's mental wellbeing are major concerns which need attention.

We therefore ask the Legislative Council to recommend the State Government liaise with Peet & Co to protect the remaining area (approx. 31ha) of Lot 3 Warnbro Sound Ave Golden Bay (excluding Stage 5A) as a Conservation Park to be used in perpetuity by the community.
