PETITION

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We, the undersigned residents of Western Australia, say that the portion of road between Hester Avenue and Connolly Drive, Merriwa, experiences high volumes of speeding drivers, many of whom are suspected to have consumed alcohol at the local tavern. Had crash barriers been in place along this stretch of road prior to 25 January 2013, a vehicle would never have crashed into 8 month old Nate Dunbar's home and killed him.

Your petitioners therefore humbly pray:

That traffic crash barriers are erected along Hester Avenue, Merriwa, on the verge and median strip between Baltimore Parade and Connolly Drive, Merriwa, for the safety of all local residents we petition the Government to erect crash barriers urgently and your petitioners, as in duty bound, will ever pray.
