To Whom It May Concern,

RE: PETITION NO. 015 DIVESTMENT OF FREMANTLE

Thank you for your letter on 28 June 2017 regarding Petition No. 15 – the Divestment of Fremantle.

It is my understanding that the sale of Western Australian Ports is not currently on the agenda for this Government.

However, I request that the petition be held until the 2017-18 State Budget is released in order to confirm this. If it is the case that the Divestment of Fremantle Port is to be considered by the Government within the next 4 year term, I will prepare a submission regarding the issues and lodge for consideration with the Standing Committee.

Yours sincerely

The Hon Diane Evers MLC
Member for South West Region
