CLERK OF THE LEGISLATIVE COUNCIL

**in the State of Western Australia, am the
promoter of this petition which contains 1 signature.**

To the President and Members of the Legislative Council of the Parliament of Western Australia, in Parliament assembled.

We, the undersigned, request that the Legislative Council make changes to State owned energy corporations selection criteria to include communities and renewables in power generation.

We also seek the State Government to mandate that community energy cooperatives and WA businesses be included in the solutions to reduce co2 emissions as required in a Western Australian Renewable Energy Target.

And your petitioners in duty bound, will ever pray.
