PETITION IN RELATION TO THE CESSATION OF FUNDING FOR THE EATON FAMILY CENTRE

To the President and Members of the Legislative Council of Parliament of Western Australia in
Parliament assembled.

We the undersigned support the Eaton Family Centre in their request for an extension in their
funding from the Department of Communities which is due to expire in June 2021.
The cessation of funding will mean the Centre will be unable to remain financially viable and the
service will close.

Eaton Family Centre has been an important part of the community for nearly 32 years and an
integral community service in the development of early childhood learning, community
connections, positive relationships, support for young families, seniors and other socially isolated
members of society.

We therefore ask that the Legislative Council request the Government to reinstate the current
funding arrangements. And your petitioners as in duty bound, will ever pray.
