**PETITION IN RELATION TO THE NEED FOR PUBLIC MARINA FACILITIES IN THE BUNBURY  
REGION OF WESTERN AUSTRALIA**

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia:

- (i) Express our disappointment with the State Government for its failure to fund the Department of Transport's proposal increasing the number of recreational pens at the Casuarina Boat Harbour in Bunbury from 48 to 200 pens; and
- (ii) Express our concern that the establishment of the Bunbury Marine Facilities Steering Committee will further delay the Casuarina Boat Harbour project which has broad community support and potentially divert funding away from the project.

With approximately 6000 registered boat owners in the Greater Bunbury area, more pens are needed immediately.

Your petitioners respectfully petition the Legislative Council to appeal to the State Government to fund the construction of an additional 152 pens as a matter of priority at the Casuarina Boat Harbour, Bunbury.

And your petitioners as in duty bound, will ever pray.
