PETITION
NO URBAN DEVELOPMENT SOUTH OF THE MOORE RIVER

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We, the undersigned residents of Western Australia, are opposed to any development south of the Moore River, a view which has been consistently and strongly put forward by the community since 1995.

Your petitioners therefore respectfully request the Legislative Council to recommend that the land adjoining the proposed Wilbinga Conservation Park which is subject to Moore River Company's plans, **be purchased by the Government at a fair price to the landowner, be managed in perpetuity for the benefit of the whole community, for the protection of the estuary of the Moore River, and serving as a buffer zone against further metropolitan encroachment.**

We make this request because of the unique aesthetic and environmental features which this area contributes towards the natural capital of Western Australia.

And your petitioners as in duty bound, will ever pray.

G. Watson
