Petition for the Legalisation of Voluntary Euthanasia

To the Legislative Council of the State Parliament of Western Australia

To the President and Members of the Legislative Council of the Parliament of Western Australia assembled.

We, the undersigned residents of Western Australia support legalisation of Voluntary Euthanasia and consider that, with adequate safeguards, it should be possible for competent citizens of Western Australia, if suffering unbearably from a condition from which he/she is unlikely to recover, to request for physician aid for a gentle and peaceful death.

Your petitioners, therefore respectfully request that the Legislative Council pass the Voluntary Euthanasia Bill, 2009.

And your petitioners as in duty bound, will ever pray.
