

## PETITION IN RELATION TO THE MEAT INDUSTRY

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia are concerned at the prices received for livestock in WA.

Your petitioners therefore respectfully request the Legislative Council to support an inquiry into the shortage of abattoir capacity in this State and determine any reason Western Australian Livestock Producers receive substantially less than their counterparts elsewhere in Australia.

And your petitioners as in duty bound, will ever pray.
