Petition: Regional Students Matter

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament Assembled!

We, the undersigned, say that closure of five Schools of The Air, five camp schools and the Northam and Moora Residential Colleges in regional WA will have a major impact on regional and remote students and their families, which will force families to leave regional areas and cost jobs.

This is yet another example of vital regional services being targeted so the State Government can fund Perth-based election promises - like Metronet and a new inner city college - not pay down State debt.

We therefore ask the Legislative Council to call on Premier Mark McGowan to support regional families by reversing these unfair and unjust closures.

And your petitioners as duty bound, will ever pray.
