**PETITION IN RELATION TO THE REGIONAL RESOURCE RECOVERY CENTRE'S WASTE  
COMPOSTING FACILITY IN CANNING VALE**

To the President and Members of the Legislative Council of the Parliament of Western  
Australia in Parliament assembled.

We the undersigned residents of Western Australia are opposed to the continued operation of  
the Regional Resource Recovery Centre's Waste Composting Facility in Canning Vale. This  
facility creates a noxious odour, affecting the health and lifestyle of the residents in  
surrounding suburbs.

Your petitioners therefore respectfully request the Legislative Council to support residents  
and others affected by this Waste Composting Facility and recommend to the Government  
that the South Metropolitan Regional Council relocate the facility away from any residential  
areas.

And your petitioners as in duty bound, will ever pray.
