Dear Peter,

Thank you for your letter concerning Petition No. 063 – Access to allied health services for ages 0 -8 – which was tabled in the Legislative Council on 16 August 2022.

As you are aware, on 31 August 2022 the Legislative Council agreed that a Select Committee be established to examine child development services in Western Australia. As I am now a member of that Committee, I do not believe it is appropriate for me, on this occasion, to make a separate submission to your Committee. I do note, however, that the Select Committee's terms of reference are generally in accordance with the request of the petitioners and that submissions are open until 24 October 2022 for members of the community who wish to contribute to this inquiry.

Thank you again for contacting me on this important matter.

Kind regards

Donna Faragher
