**PETITION IN RELATION TO THE CESSATION OF FUNDING FOR THE WOODLUPINE FAMILY CENTRE  
INC**

To the President and Members of the Legislative Council of Parliament of Western Australia in  
Parliament assembled.

We the undersigned support the Woodlupine Family Centre Inc in their request for an extension in  
their funding from the Department of Communities which is due to expire in June 2021. The  
cessation of funding will mean the Centre will be unable to remain financially viable and the  
service will close.

Woodlupine Family Centre has been an important part of the Foothills community for nearly 30  
years and an integral community service in the development of community connections, positive  
relationships, support for young families, seniors and other socially isolated members of society.

We therefore ask that the Legislative Council to review your decision and reinstate the current  
funding arrangements.

And your petitioners as in duty bound, will ever pray.
