

Petition in relation to proposed Capital City of Perth Legislation

Petition to the President and Members of the Legislative Council of the Parliament of Western Australia

We Colin Robert Latchem NDD, ATD, MEd (Wales)

and Kenneth William Eastwood AM, FCPA

in the State of Western Australia, are the promoters of this Petition which contains 3 signatures.

This Petition is in relation to the proposed Capital City of Perth Legislation wherein we the petitioners object to proposals to enlarge the boundaries of the City of Perth to include Kings Park Botanical Gardens, QE 11 Hospital, Hollywood Private Hospital and the University of WA.

We the undersigned Petitioners, on behalf of the people of Western Australia, request an urgent review of the Premier of Western Australia's proposals to increase the area of control of the City of Perth wherein the Premier seeks to include Kings Park, QE 11 Hospital, Hollywood Private Hospital and the University of WA within the boundaries of the City of Perth.

We make this plea in the knowledge that the proposal, as above, is un-costed, has little or no cost benefits, will have serious rate impacts on both the City of Nedlands and the City of Subiaco, places at risk the future impartiality of the Kings Park Board and the Park itself and completely ignores the DADOUR provisions of the Local Government Act of Western Australia.

And your petitioners as in duty bound, will ever pay.
