Dear Chair *Simon,*

## Petition No 44 – Opposing the Rezoning Rosehill Golf Course

I refer to the above petition I tabled in the Legislative Council on 24 June 2014 on behalf of John Squire in relation to proposed MRS Amendment 1266/57 Rosehill Golf Course Redevelopment.

In line with the issues raised in the petition, I wish to ensure that:

1. The proper processes are adhered to for adequate community consultation and rezoning amendment.
2. The most up to date "2014 Perth Airport Master Plan" should be used as the assessing criteria for the MRS Amendment, as it takes into account the increased aircraft noise as Perth Airport expands to build the 3rd runway to meet the surge in passenger numbers.
3. The National Airports Safeguarding Framework guidelines be considered and adhered to if applicable.

Thank you for the opportunity to lodge a submission.

Yours sincerely

*Alyssa*
