**PETITION IN RELATION TO WETLANDS AND LAKE IN HELENA VALLEY**

To the President and Members of the Legislative Council of the Parliament of  
Western Australia in Parliament assembled.

We the undersigned residents of Western Australia are opposed to the reclamation of  
the lake and wetlands and 272 trees situated at the end of Carabeen Avenue in Helena  
Valley, being lots 2.3.6 Helena Valley road Helena Valley, structural plan no 71 for  
the purpose of housing lots.

Our petitioners therefore respectfully request the Legislative Council to oppose the  
development of housing lots filling in the wetlands and lake and destroying 272  
mature eucalypt trees. Also the habitats of long neck tortoise and the 26 varieties of  
birds and wildlife. This area has significant social and recreational value to the  
community. We seek the "Bush Forever" protection.

"And your petitioners, as in duty, bound will ever pray"
