in the State of Western Australia, am the promoter of this petition which

**PETITION IN RELATION TO ADEQUATE STAFF LEVELS WITHIN
THE MATERNITY WARD AT THE HEDLAND HEALTH CAMPUS**

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We, the undersigned residents of Western Australia, are in support of adequate staffing levels being established within the Maternity Ward at the Hedland Health Campus.

Your petitioners therefore respectfully request the Legislative Council to support the active recruitment of additional staff to be employed in the Maternity Ward at the Hedland Health Campus. This request includes the assurance that the apparent employment freeze is lifted and that staffing levels are monitored to ensure midwives are not unfairly made to endure consecutive twelve hour shifts to make up for these shortcomings.

And your petitioners as in duty bound, will ever pray.
