**PETITION - REMOVE LIQUOR STORE IN SOUTH HEDLAND SHOPPING CENTRE
TO REDUCE ANTI SOCIAL BEHAVIOUR AND DRINKING**

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We, the undersigned residents of Western Australia call for the removal of the liquor store outlet in the South Hedland Shopping Centre.

We believe the liquor store encourages anti-social behaviour outside the shopping centre, it is often the cause of people begging for money outside the shops and further that alcohol purchased at the store is often consumed at the park across the road with empty cans then littered at the park.

The location of the liquor store combined with the location of automatic teller machines and a taxi rank outside all contribute to the anti-social behaviour at the centre.

Your petitioners therefore respectfully request the Legislative Council to undertake an enquiry into the location of the liquor store at South Hedland Shopping Centre to help tackle the antisocial behaviour that exists in the South Hedland Town Centre.

And your petitioners as in duty bound, will ever pray.
