PETITION IN RELATION TO UNIQUE BUSHLAND IN KWINANA

To the President and Members of the Legislative Council of the Parliament of Western Australia in
Parliament assembled.

We the undersigned residents of Western Australia are opposed to the residential development of
bushland surrounded by Gilmore, Challenger and Meares Avenues and Wellard Road. This bushland
adds to the uniqueness of Kwinana and is a beautiful area that should be protected forever.

Your petitioners therefore respectfully request the Legislative Council call on the Department of
Housing to stop residential development on this bushland. Your petitioners also request the Legislative
Council recommend that this bushland be declared a nature reserve for protection for future
generations.

And your petitioners as in duty bound, will ever pray.
