Signed:

PETITION IN RELATION TO THE LOCAL GOVERNMENT STANDARDS PANEL

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned support Mr McLerie's serious concerns about the performance of the Local Government Standards Panel (the Panel) in failing via its actions and decisions to provide the local government sector with the guidance and sound benchmarks necessary to support acceptable standards of behaviour and in its failure to meet community expectations.

Yours petitioners therefore respectfully request the Legislative Council inquire into the performance of the Panel, its inherent flaws and restrictions, failure to meet community expectations and how best it should be rectified.

And your petitioners as in duty bound, will ever pray.
