PETITION IN RELATION TO POLICE MISCONDUCT

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We, the undersigned residents of Western Australia, are concerned about the perceived culture at both Port Hedland and South Hedland Police Stations.

Your petitioners therefore respectfully request the Legislative Council inquire into the culture and operations of Port Hedland and South Hedland Police Stations. Further, to review departmental procedures pertaining to appropriate training associated with regional location placement and duration, as well as current administrative policies leading to high police turnover at these stations.

And your petitioners as in duty bound, will ever pray.
