In response to your letter seeking comments from the City on the terms of Petition No 31 and the submission from the petitioner, a meeting has been organised by the Office of Road Safety on 1 May 2014 to ascertain if a safe system approach (treatment) is appropriate for Hester Avenue.

Representatives from the Office of Road Safety, City of Wanneroo, Main Roads WA and WA Police will be in attendance to assess this matter.

Details of the outcome of the meeting will be forwarded to your office. In the meantime, should you have any queries, please contact me

Yours sincerely,
