PETITION CALLING ON THE GOVERNMENT TO BETTER RESOURCE CRIME PREVENTION IN GREATER GERALDTON

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia call on the Government of Western Australia to Better Resource Crime Prevention and Management in the City of Greater Geraldton. We specifically call for an increase in the number of full time police officers in the City of Greater Geraldton; a greater allocation of police intelligence resources specifically allocated to the Greater Geraldton region; and a parliamentary investigation into the control of juvenile crime and antisocial behaviour in the Greater Geraldton region.

Your petitioners therefore respectfully request the Legislative Council to investigate the increase in the rate and severity of crime, including theft, violence and home invasions; and to respond appropriately.

And your petitioners as in duty bound, will ever pray.
