Subject: submission of petition No;057

Dear Clair Siva,

I am thankful that I was allowed extra time till 31/5/2018, to provide written submission with regards to my petition –057 “ Christian Prayer Room @Perth Children’s Hospital”. I returned from India on 20/5/2018. I completed the Submission and posted on 22/5/18. I hope you have received it. Please note, In the first page of the submission letter, Paragraph 4, line 2, there is a little typing error. It should read Christian Denominations. Not Christian I Denominations. Please remove the letter I. If there is any further information required with regards to petition No:057, please let me know.

With kind regards Sunnetta. Fernandez
