Attention Mark Warner

Dear Sirs

Re Transcript of Evidence taken at Perth Wednesday 16 May 2012

When checking the transcript I have noted an incorrect factual statement and I write to correct the statement provided.

On page 4 of the transcript in response to a question from the Chairman I stated the following "The first meeting was on 7 May in the offices of our solicitors. That was followed up with a meeting at the high school on 16 May."

The dates mentioned were incorrect. I should have said the 3rd and the 7th May. As a consequence the transcript should read "The first meeting was on 3 May in the offices of our solicitors. That was followed up with a meeting at the high school on 7 May."

I trust this is to the Committees satisfaction.

.Kind Regards

Peter Polini
