**PETITION IN RELATION TO THE ALBANY RADIATION MACHINE BUNKER AT ALBANY HEALTH
CAMPUS**

To the President and Members of the Legislative Council of the Parliament of Western Australia
in Parliament assembled.

We the undersigned support construction of a bunker at Albany Health Campus to house the
Linear Accelerator Machine granted to the Great Southern region in 2017. Completion of this
project will mean cancer patients can receive treatment closer to home and to their families.

We therefore ask the Legislative Council to fast track construction of this project as an
infrastructure priority for the Great Southern region.

And your petitioners as in duty bound, will ever pray.

I certify that this Petition conforms with
the Standing Orders of the Legislative Council

CLERK OF THE LEGISLATIVE COUNCIL
