To the Honourable the Speaker and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We, the undersigned draw the attention of the Members to the unlawful death of Elijah Doughty, an innocent fourteen year old Aboriginal juvenile in Kalgoorlie in August, 2016. The man who was subsequently charged by Police over his death was convicted and sentenced to a maximum period of three years imprisonment and that this sentence is inadequate and not consistent with the expectations or standards of the community.

Now we the undersigned ask that the Western Australian government causes an urgent appeal be lodged against that sentence and demand that the court impose a much more severe penalty that properly reflects the seriousness of the crime and is truly consistent with the expectations of the community.

**And your petitioners as in duty bound, will ever pray.**

I certify that this petition conforms with the Standing Orders of the Legislative Council
