**Petition in Relation to Preserving Part of Bunbury's Timber Jetty**

To the President and Members of the Legislative Council of the Parliament of Western  
Australia in Parliament assembled.

We the undersigned residents of Western Australia call on the Legislative Council to remind  
the State Government of its responsibilities as the owner of the Bunbury Timber Jetty and  
under the Heritage Act and noting the State Government funding commitments of \$24million  
to rebuild the Busselton Timber Jetty, call on the State Government to fully fund over and  
above the City of Bunbury's existing financial commitment the part demolition and part  
rebuild of the Bunbury Timber Jetty.

Your petitioners therefore respectfully request the Legislative Council to support this action.  
And your petitioners as in duty bound, will ever pray.

I certify that this Petition is in  
conformity with the Standing Orders  
of the Legislative Council
