PETITION IN RELATION TO STAFF AND FUNDING CUTS TO SCHOOLS

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We, the undersigned, are totally opposed to the State Government's new funding model and staff reductions (announced 20 August 2013) affecting public schools. We are deeply concerned about the impact of the proposed funding model and staff reductions on the quality of the education provided for all children attending public schools in Western Australia.

Your petitioners therefore respectfully request the Legislative Council to call on the State Government to revoke its decision that results in funding cuts to schools.

And your petitioners as in duty bound, will ever pray.
