# PETITION ON URANIUM MINING IN W.A.

TO THE LEGISLATIVE COUNCIL OF THE STATE PARLIAMENT OF WESTERN AUSTRALIA

To the President and Members of the Legislative Council of the Parliament of Western Australia assembled.

We, the undersigned residents of Western Australia, oppose the establishment of a uranium mining industry in Western Australia because of its associated health impacts on members of the community.

Your petitioners, therefore respectfully request that the Legislative council will investigate and evaluate the acceptability of a uranium mining industry measured against the known health hazards for workers in the uranium and associated industries, and on the residents of Western Australia should uranium mining be established in this State.

And your petitioners as in duty will ever pray.

I certify that this Petition is in conformity with the Standing Orders of the Legislative Council
