Dear Mr Foster

PETITION NO. 60 - SEWERAGE PROVISIONS ADJACENT TO KENWICK TRAIN STATION

Thank you for your letter to Mr Pat Donovan, Water Corporation Chief Executive Officer regarding the Standing Committee on Environment and Public Affairs, regarding Petition No. 060 for the provision of Infill Sewerage to properties adjacent to the Kenwick Train Station.

Water Corporation provided advice to Hon Dave Kelly MLA, Minister for Water which was included in his response dated 7 November 2022, reference 75-19877.

I note you also asked Water Corporation for information, preferably in the form of a map, indicating any other areas within the Perth Metropolitan Region that are still lacking deep sewer access. I have attached the requested map, as well as a table indicating the number of un-serviced properties by local government area.

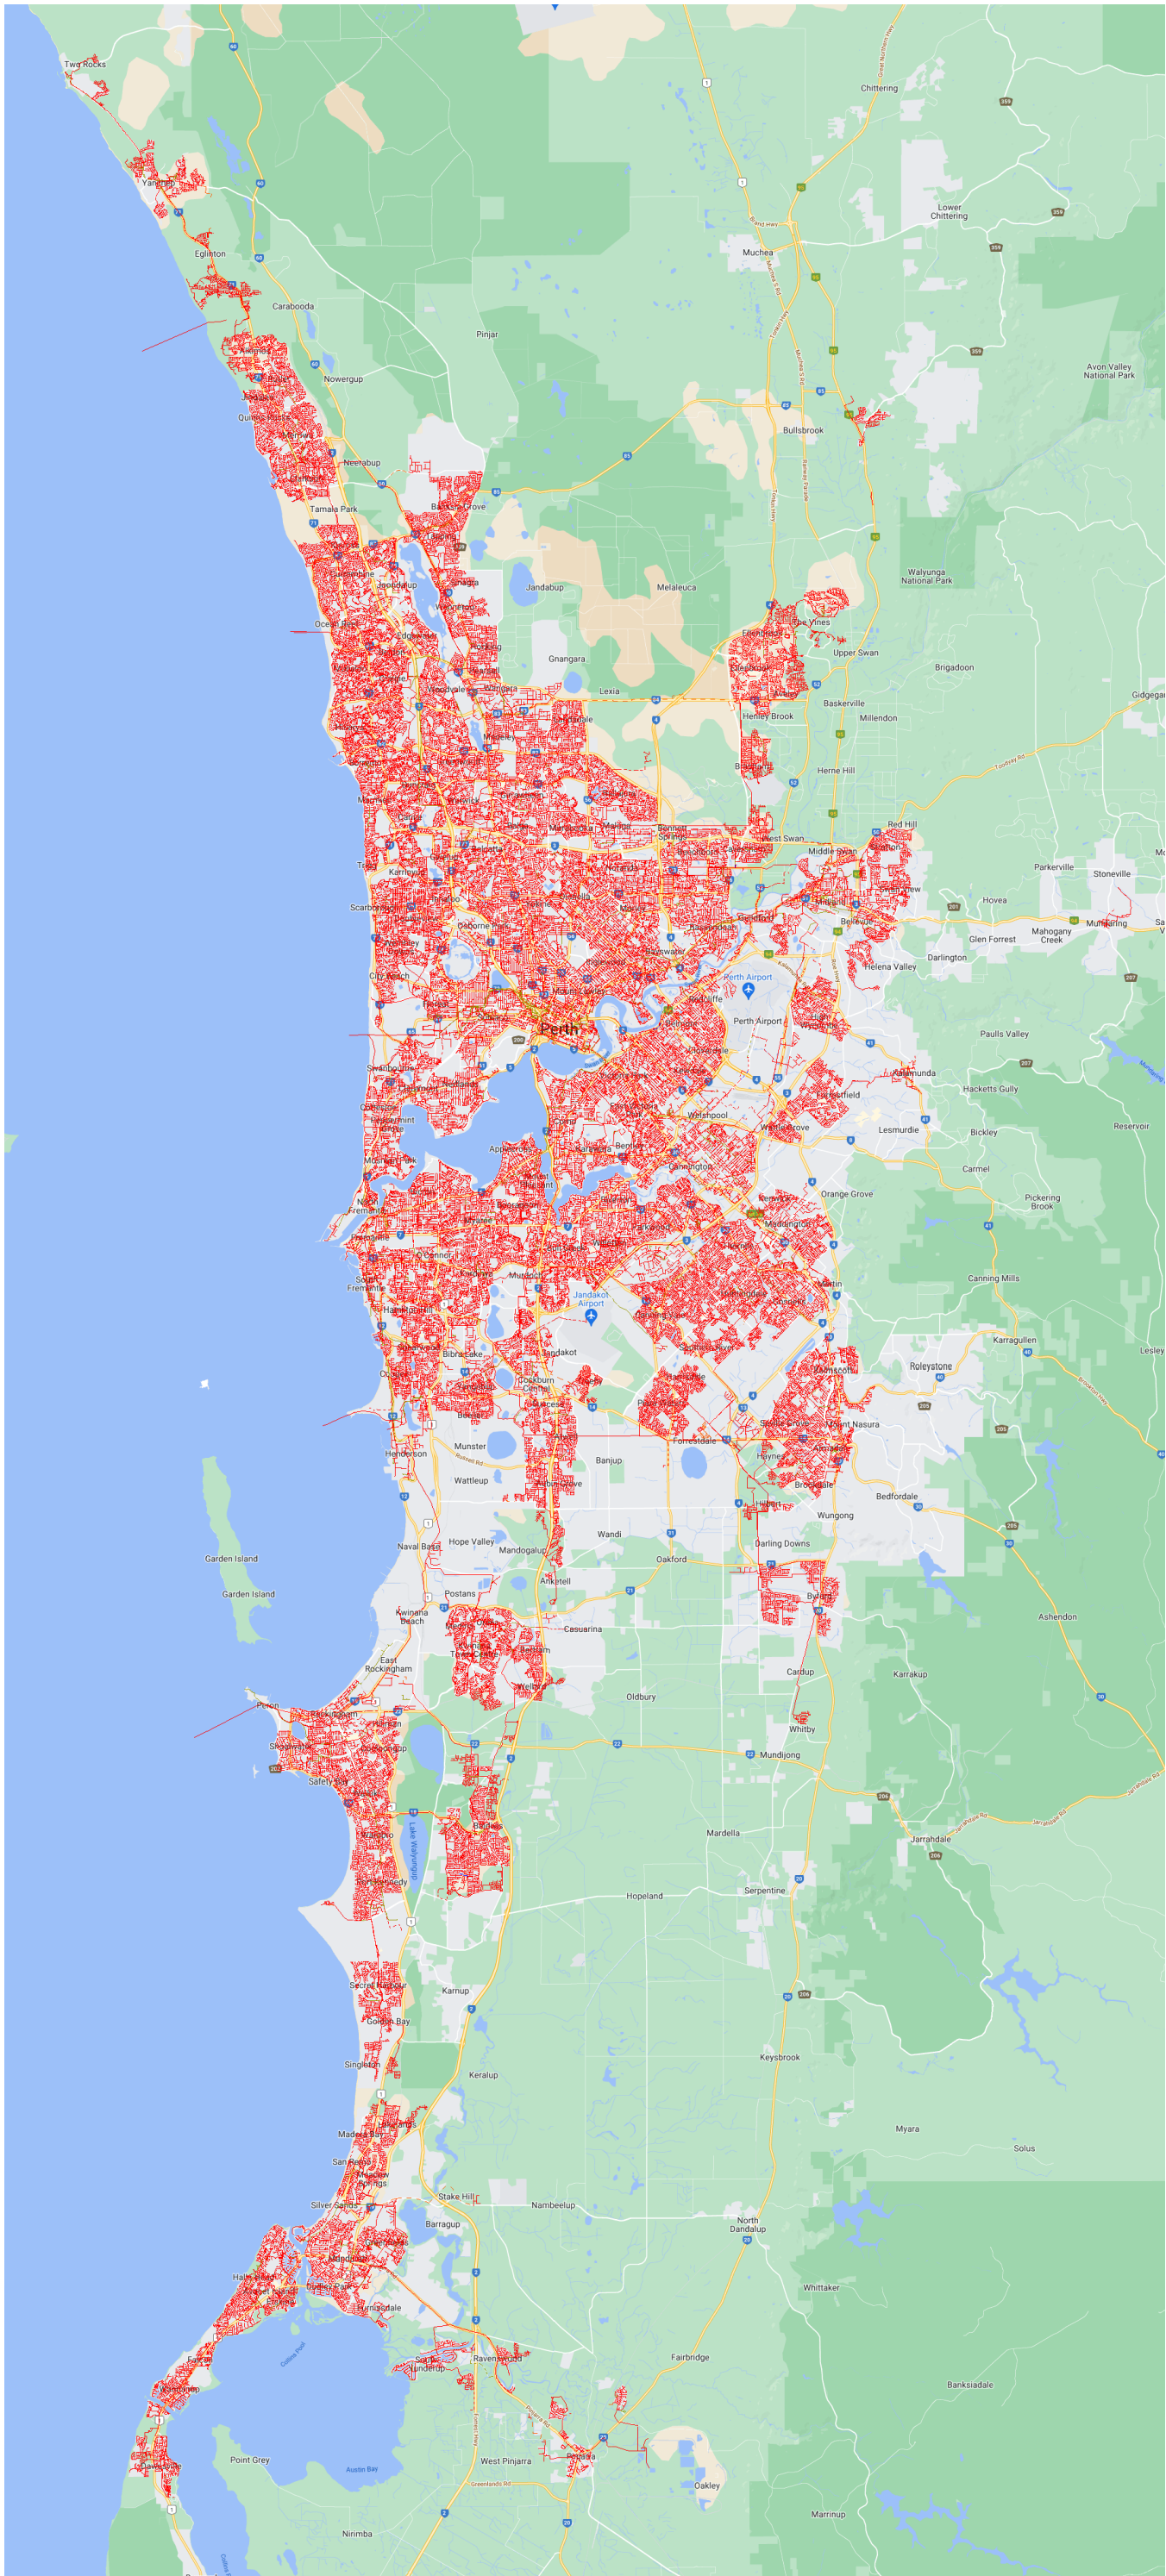

Thank you again for your enquiry.

Yours sincerely
