PETITION IN RELATION TO AGED CARE FACILITIES IN THE CITY OF SWAN

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia note the results of research undertaken by City of Swan Community Care Services Committee (Inc) and confirmed in a major study commissioned by the City of Swan that shows an additional 1,050 new aged care places will be needed in the City of Swan alone by the year 2036.

Your petitioners therefore respectfully request the Legislative Council to call upon the State Government to work with the "Aged Care Sector" to encourage them to inspect the soon-to-be-decommissioned Swan Districts Hospital to determine if it would be commercially viable to (1) purchase part of the site, and (2) to covert the existing buildings on that part, to produce a much-needed 'social dividend' for the district in the form of a new Regional Residential Aged Care Facility.

And your petitioners as in duty bound, will ever pray.

I certify that this Petition is in conformity with the Standing Orders of the Legislative Council

CLERK OF THE LEGISLATIVE COUNCIL
