PETITION IN RELATION TO RE-GAZETTAL OF ROWLES LAGOON AS A WATER SKIING AREA

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia are in support of legalising a gazetted ski area on Rowles Lagoon whenever it has available water to ski safely. A section of Rowles has a traditional use for skiing and has been gazetted in the past by the Department of Transport but recently this is being opposed by the Department of Parks and Wildlife. The park needs to cater for recreation and conservation which we believe can operate together if zoned and managed appropriately.

Your petitioners therefore respectfully request the Legislative Council to recommend re-gazettal of Rowles Lagoon as a water ski area to allow the goldfields people an area to undertake water skiing whenever it has available water to ski safely.

And your petitioners as in duty bound, will ever pray.
