PETITION IN RELATION TO OCEAN GARDENS RETIREMENT VILLAGE

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia respectfully oppose and are very concerned that the spirit and intent of the *Ocean Gardens (Inc.) Act 2004* has not been complied with at all. Changes to the Ocean Gardens Inc constitution since 2004 have cancelled any board representation from the residents of Ocean Gardens Village or from the Town of Cambridge. Residents now have no mechanism to have a voice on the board managing their village. The Residents of Ocean Garden Village are also concerned with the proposed expansion plans for the village. No case has been put to the residents justifying the need to increase the complex dwellings by 30%. The first stage of the expansion is planned for an undesirable location which will have a detrimental effect on the residents of the village.

Your petitioners therefore respectfully request that the Legislative Council not repeal the *Ocean Gardens (Inc.) Act 2004* and also to conduct an inquiry into whether the *Ocean Gardens (Inc.) Act 2004* has been complied with. We also ask that all proposed development onsite cease until the governance concerns have been resolved via this inquiry.

And your petitioners as in duty bound, will ever pray.
