PETITION IN RELATION TO CHEVRON'S COMPLIANCE WITH THE GORGON GAS PROCESSING AND INFRASTRUCTURE PROJECT AGREEMENT

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We, the undersigned say that Chevron and its contractors have not complied with Section 15 of the Gorgon Gas Processing and Infrastructure Project Agreement ("the Agreement"), which requires Australian labour and local suppliers to be given preference in the construction and operation of the Gorgon project.

Now we ask the Legislative Council to investigate and report upon the performance of Chevron and its contractors in complying with Section 15 of the Agreement, since the commencement of the project. We further ask that the Legislative Council seek to maximise the number of future Australian jobs flowing from the Gorgon project, by seeking the enforcement of Section 15 of the Agreement.

And your petitioners as in duty bound, will ever pray.
