### PETITION IN RELATION TO POINT MOORE LEASES

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia call on the Minister for Planning and the Minister for Lands to allow the residents of Point Moore, Geraldton, to continue to live a life of quiet enjoyment in the homes in which we have invested much of our life savings.

We also ask that you support our call for the current variety of Crown lease arrangements covering the Point Moore area to be modified to a single consistent lease, ending the concerns and uncertainty of residents from the area.

We are asking for this consistency in the Crown lease arrangements between the residents of Point Moore and that of the Belair Caravan Park and Lifestyle Village, so that all Point Moore residents will be able to remain in their homes until 2042 when all of the lease arrangements will be reviewed.

And your petitioners as in duty bound, will ever pray.
