PETITION IN RELATION TO QUALITY EDUCATION AND ART

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned parents and citizens of Westminster Junior Primary and Primary School support quality public education which offers opportunities for the children of our schools to develop a variety of educational and life skills.

The Art Specialist Teacher at Westminster Primary School is integral to the ongoing success of the Art program at the school and is at threat of having to leave because she is not a permanent employee of the education department.

This would be a loss to the school and to the Education Department and your petitioners therefore respectfully request the Legislative Council to recommend to the Minister for Education that Ms Cutler, the Art teacher at Westminster Primary School be retained.

And your petitioners as in duty bound, will ever pray.
